

**Curriculum vitae of Prof. Giuseppe Graziano**  
**Department of Science and Technology, University of Sannio - Benevento**

Born August 10, 1966 in Ariano Irpino (AV).

Degree in Industrial Chemistry (five years), 110/110 cum laude, from the University of Milano, March 16, 1990.

PhD in Chemistry from the University of Napoli Federico II, June 1994, under the supervision of Prof. Guido Barone.

CNR fellowship in 1994; post-doc fellowship from the University of Napoli Federico II in 1995.

Assistant Professor of Physical Chemistry from July 1996 up to October 2001 at the Faculty of Science of the University of Sannio – Benevento.

Associate Professor of Physical Chemistry from November 2001 up to October 2017 at the Faculty of Science of the University of Sannio – Benevento.

Full Professor of Physical Chemistry from November 2017 at the Department of Science and Technology of the University of Sannio – Benevento (license for Full Professor of Physical Chemistry gained at the end of January 2014).

Teacher of Physical Chemistry and Organic Chemistry for the students of the Degree in Biotechnology of the University of Sannio since 2001.

President of the Degree in Biotechnology of the Faculty of Science of the University of Sannio from December 2004 up to January 2014.

Member of the Academic Senate of the University of Sannio from July 2013 up to October 2016.

Member of the Editorial Board of Scientific Reports, on-line journal of the Nature publishing group, from May 2015.

Author of more than 170 publications in peer-reviewed international journals (more than half of the total as sole author) in the field of thermodynamics and statistical thermodynamics of hydration and solvation processes, and in the field of conformational stability of globular proteins; see the Google Scholar profile.

Referee for the following international journals: Nature Communications; Journal of the American Chemical Society, Journal of Physical Chemistry B, Journal of Physical Chemistry Letters, Macromolecules, Journal of Chemical Physics, Physical Chemistry Chemical Physics, Chemical Physics Letters, Biophysical Chemistry, Protein Science, Journal of Solution Chemistry, Journal of Molecular Liquids, Journal of Theoretical Biology, Biochimica et Biophysica Acta, Journal of Chemical Thermodynamics, International Journal of Biological Macromolecules, Pure and Applied Chemistry; PLOS One; PLOS Biology. Referee for projects submitted to the National Science Foundation.
